

Miami University

Overall, when looking at and deciding on colleges, please remember that not only is Miami University a very well respected academic institute, but we also offer **Hockey at every level!** We moved into our new, state of the art facility during the summer of 2006. What better time to join one of the biggest and best University Ice Hockey Programs in the Nation.

MIAMI UNIVERSITY CLUB HOCKEY

Since 1976

**The Proud
Tradition
Continues**

Miami University has a strong tradition of success and looks to build upon that success in the new Goggin Ice Center.

Built in 2006, the Goggin Ice Center is one of the nation's premier college hockey venues.

Whether you're a highly recruited Varsity Athlete, High School Player, or a recreational hockey nut...Miami offers programs at every level!

MIAMI UNIVERSITY CLUB ICE HOCKEY

Ice Hockey is a part of college life at Miami University

So, you want to get a **great education** on a **fantastic campus** and **play hockey** while doing it. That's great...Miami is the place for you. At **"The Goggin,"** hockey can be an integral part of your college life. Regardless of the level you aspire to play, there is a program available for you. Oxford's campus is located just 4.5 hours from Cleveland, and 5 hours from Pittsburgh, St. Louis and Chicago.

The Goggin sports the nations largest intramural ice program (hockey and broomball), an extensive Physical Education ice class structure, ACHA Division II Club Hockey team (nationally recognized)...all complimenting the **CCHA Division I Varsity Hockey "RedHawks"**.

Many ice arenas on college campuses are "landlords," renting ice like landlords rent apartments. Often, the average college student/hockey enthusiast does not have the opportunity to participate in organized ice activities throughout the entire academic year. This is not the case at Miami!

Club Hockey Tradition

The Club Hockey Program at Miami University is a very competitive squad run like a Junior Varsity program. Miami is a Division II club member of the ACHA that competes in the Great Midwest Hockey League (GMHL).

The GMHL is regarded as the nation's most competitive club league. The ClubHawks have qualified for the National Championships in 10 of the last 11 seasons and were crowned National Champions in 2000. The team has an exclusive locker room, some equipment provided, regular practice time three days a week in the evenings, and plays a competitive 24 game regular season. Having the opportunity to experience competitive college hockey while receiving an excellent education is a chance of a lifetime.

Coaching Staff

Miami Club Hockey has a history of highly qualified young coaches, many of which had Division I varsity and professional playing experience prior to working with the Clubhawks. Former Miami Coaches have pursued successful careers with the USHL, NAHL, and Culver Academy. The staff aims to create the best experience possible for the team. Practices are run with a purpose in mind.

"I'll never forget the memories and friendship I built around Miami Club Hockey!"

-Ted Bartlett '05

Intramural Hockey

You may be asking yourself, "What if I don't make the team?" Over the past thirty years **"The Goggin"** has developed an intramural ice program (Hockey & Broomball) that offers every opportunity to play hockey regardless of skill level and commitment. Three seasons are offered (Fall, Winter, Spring) with leagues for Division I, Division II, Division III, Beginners, and Fraternity. Nearly 1800 hours of ice split between two ice surfaces are dedicated to intramural ice sports every year. Last year there were nearly 200 hockey teams and 500 broomball teams competing in 3 seasons. This program provides those who have hockey backgrounds the chance to keep playing without "intercollegiate" style commitment. With the "New Goggin" up and running, there will be even more opportunities to get involved with Hockey at Miami!
